Dear Sir:

The references listed in the attached PTO Form 1449 may be material to examination of the above-identified patent application. The Examiner is requested to make these references of official record in this application. The above-identified application is a continuation of prior application U.S. Patent Application No. 08/996,379, which relied on a prior provisional application No. 60/052,394 dated July 11, 1997 for an earlier filing date (now U.S. Patent No.: 5,895,41, issued April 20, 1999,). This prior application is being relied upon for an earlier filing date under 35 U.S.C. § 120. Because the listed references were

This Information Disclosure Statement is believed to be filed before the mailing date of a first Office Action on the merits. Accordingly, it is believed that no fees are due in connection with the filing of this Information Disclosure Statement. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-0388 (Order No. UP-1007C1).

Respectfully submitted,
